The adventure begins at The Cellars-Hohenort in Cape Town. The hotel is situated deep in the historic Constantia Valley on the slopes of Table Mountain. Part of The Collection by Liz McGrath, the property is surrounded by nine acres of world-renowned gardens - elegance and luxury reign. The property boasts three award-winning restaurants overseen by Cape Town's only Relais & Châteaux Grand Chef, Peter Tempelhoff. At the flagship restaurant, The Greenhouse, seasonality rules and South African ingredients shine on the plate as a contemporary vision. The Cellars-Hohenort has all the trappings and feel of a country estate, yet it's in Cape Town: a vibrant city woven together by culture and natural beauty.

Out of the quixotic melting pot and into the blissful bush; the next stop on this route is Sabi Sand Game Reserve, which is part of the Greater Limpopo Transfrontier Park. Discover a world of silent bush-scapes, where elephants, buffalo and white rhino roam freely, while lions stalk through shifting savannah and leopards seek shade on twisted trees. Here we recommend two Relais & Châteaux properties, both sublime bush accommodation: The Londolozi Private Game Reserve and Singita. Londolozi has been family run for the last 85 years, and excels in hospitality, and the suites are designed to incorporate the bush around you. Experience a sophisticated safari at Singita's founding lodges, Singita Ebony and Boulders. Focused on eco-conscious hospitality, sustainable conservation and the upliftment of local communities.

The journey continues into the unspoilt beauty of Zambia for an elegant escape at Royal Chundu. Two lodges built in harmony with the surroundings are positioned on the banks of the roaring Zambezi River, just upstream from Victoria Falls. Both lodges enjoy 15 kilometres of private river frontage where guests savour the serenity. The River Lodge consists of 10 suites which are stilted off the mainland into the mighty Zambezi River Island Lodge, which is situated four kilometres upstream on a private and exclusive island in the middle of the river and is home to only four luxury suites. The décor in the thatched villas have a touch of the bygone colonial era which has been infused with subtle African nuances. Privacy and solitude descend the moment you enter this world of sophisticated charm; and a gourmet pan-African feast awaits in the main lodge, paired with superlative wines. There's plenty of adventure to be had too; from fly-fishing to white water rafting, to even a helicopter rides over the majestic Victoria Falls.

The ultimate African experience will then lead you into the wild heart of Botswana, to Zarafa Camp in the private 320 000 acre Selinda Reserve. The camp is located on the edge of the Zibidianja Lagoon and has been designed to be as unobtrusive as possible, allowing the vistas spill in. Zarafa Camp is sheer authentic safari, and has been created as an eco-friendly safari. Four tented 'marquis-styled' suites are raised up on reclaimed railway sleeper decking and shaded by a canopy of African ebony and red ivory trees, each with uninterrupted views of the vast savannahs and floodplains of the Zibadianja Lagoon. Soak up the sights and sounds of the untamed bush from any vantage point you choose; there's a high concentration of both birdlife and wildlife.

Your last stop will take you to the slopes of the Chyulu Hills National Park in Kenya to ol Donyo Lodge. The historic lodge has unrivalled views of Mount Kilimanjaro, and the East African plains spread out below with wildlife roaming free. Perched on the hillside ol Donyo Lodge offers serene cottages, each with the sprawling escarpment as an endless view as you take a dip in your private infinity pool. At the end of day spent horse-riding, game viewing or simply relaxing, dine on a sumptuous African feast in the lodge’s luxurious restaurant. This is East Africa’s jewel.
